

March 1, 2009

Commodore,

It is my pleasure to introduce the Bainbridge Island Yacht Club.

We incorporated in 2006, and have since grown to include members from Bainbridge Island and the surrounding communities. We are a boating club with frequent cruises and shore side activities. Our members are both sailors and power boaters.

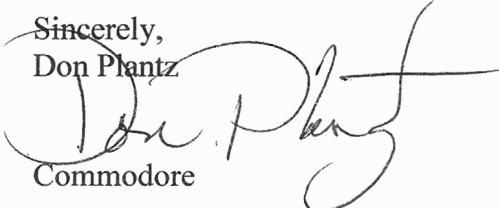

Our location is on the east side of Bainbridge Island in Eagle Harbor. We are south of the ferry dock across the bay at Eagle Harbor Marina. The Clubhouse is located above the office and overlooks the water. It's a short dinghy ride to the public dock and the town of Winslow. See the facility on our website at (www.the-biyc.us).

We are inviting you to join with us in a Reciprocal Moorage Agreement. We have reciprocal moorage available in the marina on a first come first served basis. We offer forty eight hours free with power available for three dollars a night. Most slips have thirty amp service, some smaller slips have twenty amp service and a few of the large slips have fifty. Slip lengths vary with availability. Newly remodeled showers and heads are located at the top of the dock. A small gym and full size sauna are also available.

If you would like to join us as reciprocals, send your Club's information to the following address:

Bainbridge Island Yacht Club
5834 Ward Ave. NE
Bainbridge Island, WA. 98110

We look forward to seeing you on the water and visiting your club.

Sincerely,
Don Plantz

Commodore
