Dear Commodore and Club Members,

Eagle Harbor Yacht Club takes pleasure in confirming reciprocal privileges for your Club for the 2010 boating season.

We offer one night free moorage at Winslow Wharf Marina in Eagle Harbor. Electrical hookup is available for a fee. Additional nights of moorage may be purchased directly from the Marina.

Please contact the Marina Manager at (206)842-4202 or on VHF Channel 9 for space availability and slip assignment.

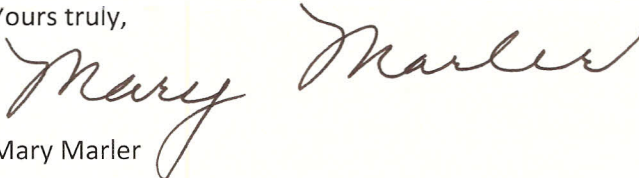

Eagle Harbor offers access to Bainbridge Island shopping and wonderful restaurants. All are within easy walking distance. The ferry to Seattle is just a short walk through the business district.

In order to be granted reciprocal moorage, your club member must fly your yacht club burgee and present their yacht club membership card.
