March 23, 2010

Dear Commodore and Yacht Club Members,

The Ladysmith Yacht Club is pleased to offer Reciprocal privileges to your club members for 2010, and FUTURE YEARS, without further notice, or until revoked.

Our Yacht Club is located at the Ladysmith Marina and our reciprocal moorage is on the dock along the easterly side of the yacht club building. As we share this area with our "Learn to Sail" program, please use the dock area painted green (100 feet). Reciprocal visits, PLEASE NOTE, are limited to 2 nights in any 21 day period; no extended stays are available during peak season.

We have 15 amp power, and "city" water available. We also invite you to use our club decks and club bar-b-ques. The marina continues to undergo extensive upgrade and expansion, resulting in physical changes over the year as the construction phases advance. Therefore, we cannot guarantee the availability of onshore shower/ washroom facilities.

A REMINDER, registration is a "Self Register" system. The registration box with forms etc. will be on the outside of the clubhouse, adjacent to the main door. Please immediately register upon arrival, leave the "club copy" of the form in the box, and display the "visitor" copy on your boat. Also, display your club burgee at all times.

Should you require assistance, you can call the Ladysmith Yacht Club on ch.66; it is frequently manned on a voluntary basis, or myself at 250-245-4578.

We sincerely look forward to greeting you in Ladysmith, and wish you a pleasant cruising season.

Sincerely,

John Craig,
Reciprocal Chairman
