We extend our friendship and offer reciprocal privileges to your members for the 2011 cruising season. Please use the link attached below to indicate if you'd like to continue our reciprocal agreement for another year or until revoked. You may also visit our website at www.oiy.org for details about our reciprocal facilities and current OIYC information/activities. Your members are invited to make use of the OIYC facilities when cruising the San Juan Islands. The rules for use of the OIYC dock and picnic shelter are described on our website in the reciprocal section and in the link attached for your use.

The combination for our restrooms/showers are accessed by a combination lock as follows for the 2011 season: Press III, release; press I and V simultaneously and release. Turn the lock lever all the way to the right to open. Please do not publish this combination on your website but feel free to share it with your members that plan on cruising in our area. If your cruising brings you to our area, we hope you enjoy these reciprocal facilities and extend our wishes for a safe and pleasant boating season.

Fair Winds,
