Our courtesy card, which you have already received, remains good until revoked. If you are cruising the South Lake Washington area, we invite you to use our guest dock facilities located at the end of 'E' dock in Parkshore Marina.

We do not have a full time dockmaster. If you wish to leave the basin area for shopping, dining, etc., a gate key is available in the lock box affixed on the lower rear entrance door to our clubhouse. The combination for the lock is "777". Please return the key to the box when you come back through the gate so that it will be available for the other guests. The gate key also fits the door for the laundry, showers and restrooms at the Parkshore Marina. Shopping and dining is available within walking distance.

There is a time restriction on your visit (up to one week) unless other boaters are waiting for reciprocal moorage. There is 30 amp power available.

We hope that you will enjoy your stay in our area. We ask that you fly your club burgee. Best wishes to you and your members for a pleasant and safe cruising season.

Sincerely,

Linda Christensen  
Reciprocal Chairman
