April, 2006

Dear Commodore and members,

The executive and members of Silva Bay Yacht Club take great pleasure in extending reciprocal privileges to your club members.

Offering of reciprocals in 2006 is a new adventure for the SBYC. All details of these new arrangements will be finalized by June 1<sup>st</sup>. The enclosed courtesy card signifies our intent to continue with the reciprocal arrangement unless revoked by either club and we look forward to receiving your card in return. We realize we are late in contacting you, but we wished to have arrangements in place for this boating season.

Our reciprocal moorage is in Silva Bay at Pages Resort and Marina. The guest dock is 46 feet and is clearly marked with SBYC signage. As well, extra moorage may be available when member slips at Pages Resort and Marina are vacant. The arrangements for reciprocal moorage and the facilities available are detailed on the attached information sheet.

We are pleased to introduce our executive for 2006:

Commodore	Ralph Hagen	Fleet Captain	Jenny Ireland
Vice Commodore	Frank Shoemaker	Secretary	Jerrie MacFarlane
Rear Commodore	Sietse Visser	Treasurer	Terry MacFarlane

If your plans include a stop at Silva Bay on Gabriola Island we welcome your visit and appreciate the services you offer in return.

Ralph Hagen  
Commodore
