Dear Commodore and Members:

The Totem Yacht Club takes pleasure in presenting its flag officers for the 2010 boating season.

COMMODORE Ray Sharpe (253) 759-1537

VICE COMMODORE Gene Mossberger (360) 898-4718

REAR COMMODORE Bill Sheehy (253) 475-5875

We are pleased to extend our friendship and invitation for reciprocal moorage at Foss Harbor Marina on Thea Foss Waterway in Tacoma. This one and one-half mile long waterway is at the southwest shore of Commencement Bay with new marinas, transient moorage, maritime events, four museums theaters, shops, upscale and casual dining and free local transportation at your fingertips. With many local yacht clubs nearby, Tacoma's downtown waterway has become a boaters' destination in itself and serves as the gateway to South Puget Sound boating.

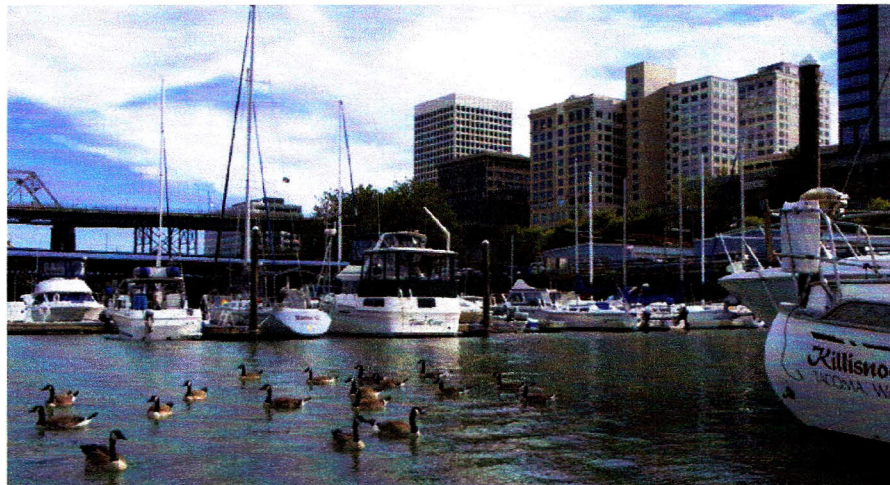

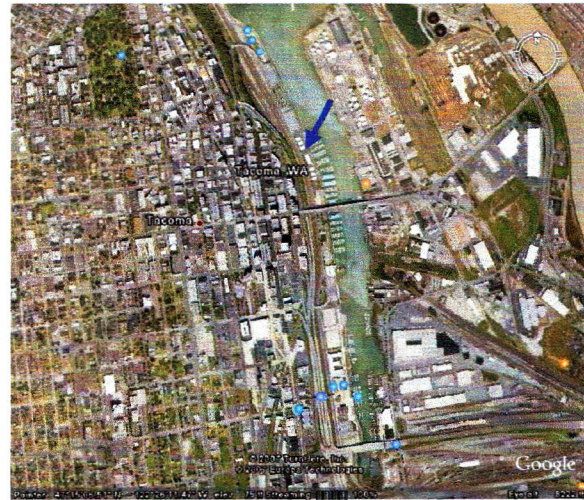

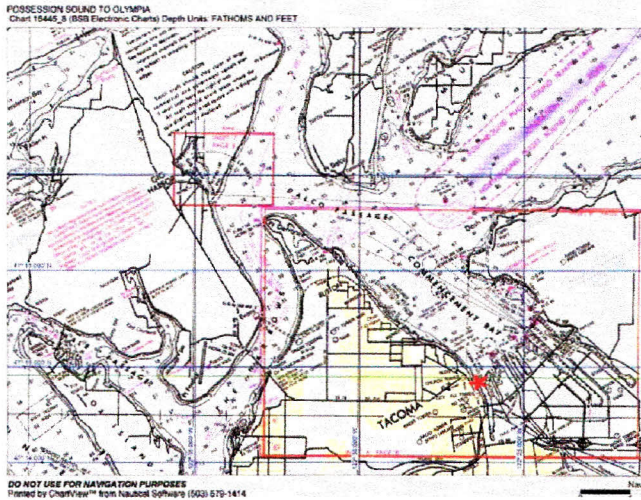

The invitation for reciprocal moorage will remain in effect until revoked.

The Flag Officers and members of Totem Yacht Club extend our best wishes for a great boating year.

Sincerely,

**Bob Watson**  
Reciprocal Manager
