

2025 Shakedown Cruise to Deer Harbor

March 7-9

Hosts: Mike and Heidi McCoy

We have an exciting itinerary to kick off the 2025 cruising season! As you know, Deer Harbor offers great kayaking, interesting walks, and of course shopping in Eastsound.

Cruise Features

We have put together several activities for your enjoyment:

- A tasting room for a local craft brewery – Island Hoppin’ Brewery
This is open to the public, not exclusive to the club.
www.islandhoppinbrewery.com
- For the less beer inclined, we have also tour of a local distillery – Orcas Island Distillery
The distillery offers whiskey, apple brandy, and of course their own special gin.
- Eastsound shopping, there are many shops and restaurants in town to enjoy on a walking tour – and of course, LUNCH.

- Friday night instead of the usual heavy appetizers and happy hour, we have arranged for Island Pie to accommodate our group. Island Pie offers beer, wine, and pizzeria fare.
- Saturday evening we have arranged space at Matt's Smokehouse (famous for BBQ brisket, pulled pork, and chicken).
- We will make our Starlink Wifi available for those who need it.
